RULES AND ORDERS

OF THE

COMMON COUNCIL.

Rights and Duties of the President.

SECT. 1. The President shall take the chair precisely at the hour to which the Council may have adjourned; he shall call the members to order, and on the appearance of a quorum, shall cause the minutes of the preceding meeting to be read, and proceed to business. In the absence of the President, the oldest member present shall call the Council to order, and preside until a President *pro tempore* shall be chosen by ballot. If, upon a ballot for President *pro tempore*, no member shall receive a majority of the votes given in, the Council shall proceed to a second ballot, in which a plurality of votes shall prevail.

SECT. 2. He shall preserve decorum and order; he may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the Council, on motion of any member, regularly seconded.

SECT. 3. He shall declare all votes ; but if any member doubt the vote, the President, without further debate upon the question, shall require the members voting in the affirmative and negative, to rise and stand until they are counted, and he shall declare the result ; but no decision shall be declared unless a quorum of the Council shall have voted.

SECT. 4. He shall rise to address the Council, or to put a question, but may read sitting.

SECT. 5. The President may call any member to the chair ; provided such substitution shall not continue longer than one meeting. When the Council shall determine to go into Committee of the Whole, the President shall appoint the member who shall take the chair. The President may express his opinion on any subject under debate ; but in such case, he shall leave the chair, and appoint some other member to take it ; and he shall not resume the chair while the same question is pending. But the President may state facts, and give his opinion on questions of order, without leaving his place.

SECT. 6. When any member shall require a question to be taken by yeas and nays, the President shall take the sense of the Council in that manner, provided *one third* of the members present are in favor of it.

SECT. 7. He shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature ; except that in naming sums and fixing times, the largest sum, and the longest time, shall be put first.

SECT. 8. After a motion is seconded, and stated

by the President, it shall be disposed of by vote of the Council, unless the mover withdraw it before a decision, or amendment.

SECT. 9. The President shall consider a motion to adjourn, as always in order, unless a member has possession of the floor, or any question has been put and not decided; and it shall be decided without debate.

SECT. 10. He shall put the previous question in the following form: "Shall the main question be now put?"—and all amendments or further debate of the main question shall be suspended, until the previous question be decided; and the previous question shall not be put, unless a majority of the whole Council are in favor of it.

SECT. 11. When two or more members happen to rise at the same time, the President shall name the member who is first to speak.

SECT. 12. All Committees, except such as the Council determine to select by ballot, shall be nominated by the President.

Rights and Duties of Members.

SECT. 13. When any member is about to speak in debate, or deliver any matter to the Council, he shall rise in his place, and respectfully address the Presiding Officer; shall confine himself to the question

under debate and avoid personality. He shall sit down as soon as he has done speaking.

SECT. 14. No member, in debate, shall mention another member by his name ; but may describe him by the ward he represents, the place he sits in, or such other designation as may be intelligible and respectful.

SECT. 15. No member speaking shall be interrupted by another, but by rising to call to order, or to correct a mistake. But if any member in speaking, or otherwise, transgress the Rules of the Council, the President *shall*, or any member *may*, call to order ; in which case, the member so called to order, shall immediately sit down unless permitted to explain ; and the Council, if appealed to, shall decide on the case, but without debate.

SECT. 16. When any member shall violate any of the Rules and Orders of the Council, and the Council shall have determined that he has so transgressed, he shall not be allowed to speak, unless by way of excuse for the same, until he has made satisfaction.

SECT. 17. No member shall speak more than twice to the same question, without first obtaining leave of the Council ; nor more than once, until all other members, choosing to speak, shall have spoken.

SECT. 18. When a motion is made and seconded, it shall be considered by the Council, and not otherwise ; and no member shall be permitted to submit a motion in writing, until he has read the same in his place, and it has been seconded.

SECT. 19. When a question is under debate, no

motion shall be received, but to adjourn; to lie on the table; for the previous question; to postpone to a day certain; to commit; to amend; or to postpone indefinitely; which several motions shall have precedence in the order which they stand arranged.

SECT. 20. Every motion shall be reduced to writing, if the President direct, or any member of the Council request it.

SECT. 21. When a motion has once been made, and carried in the affirmative or negative, it shall be in order for any member voting with the majority, to move for a reconsideration, and if such motion is seconded, it shall be open to debate, and be disposed of by the Council. And in case the motion be made at the same meeting, it shall be competent for a majority of the members present to pass a vote of reconsideration; but if it be not made until the next meeting, the subject shall not be reconsidered unless a majority of the whole Council shall vote therefor. But no more than *one* motion for the reconsideration of any vote shall be permitted.

SECT. 22. No member shall be permitted to stand up, to the interruption of another, whilst any member is speaking; or to pass unnecessarily between the President and the person speaking.

SECT. 23. Every member who shall be in the Council, when a question is put, shall give his vote, unless the Council, for special reasons, excuse him.

SECT. 24. On the 'previous question,' no member shall speak more than once without leave.

SECT. 25. The division of a question may be called for when the sense will admit of it.

SECT. 26. When the reading of a paper is called for, and the same is objected to by any member, it shall be determined by a vote of the Council.

SECT. 27. No standing rule or order of the Council shall be suspended, unless *three-fourths* of the members present shall consent thereto; nor shall any rule or order be repealed or amended, without one day's notice being given of the motion therefor, nor unless a majority of the whole Council shall concur therein.

SECT. 28. Every member shall take notice of the day and hour to which the Council may stand adjourned, and shall give his punctual attendance accordingly.

SECT. 29. No member shall be obliged to be on more than two Committees at the same time, nor to be Chairman of more than one.

Of Communications, Committees, Reports, and Resolutions.

SECT. 30. All memorials and other papers addressed to the Council, shall be presented by the President, or by a member in his place, who shall explain the subject thereof, and they shall lie on the table, to be taken up in the order in which they are presented, unless the Council shall otherwise direct.

SECT. 31. Standing Committees of this Council shall be appointed on the following subjects, viz : on Elections and Returns, and on Enrolled Ordinances and Resolutions, each to consist of five members.

SECT. 32. No Committee shall sit during the sitting of the Council, without special leave.

SECT. 33. The rules of proceeding in Council shall be observed in committee of the whole, so far as they may be applicable, excepting the rules limiting the times of speaking ; but no member shall speak twice to any question, until every member choosing to speak shall have spoken.

SECT. 34. When Committees of the Council, chosen by ballot, or Committees consisting of one member from each ward, have been appointed or elected, whether joint or otherwise, the first meeting thereof shall be notified by the Clerk, by direction of the President, and they shall organize by the choice of Chairman, and report to the Council ; and when Committees, other than as above specified, are nominated by the President, the person first named shall be Chairman, and in case of the absence of the Chairman, the Committee shall have power to appoint a Chairman *pro tem*.

SECT. 35. All messages to the Mayor and Aldermen, shall be drawn up by the Clerk, and sent by the Messenger.

SECT. 36. All ordinances, resolutions, and orders shall have two several readings, before they shall be finally passed by this Council ; they shall then be en-

rolled by the Clerk, and the Committee on Enrolled Ordinances shall, as soon as may be, examine them, and certify on the back thereof that they are duly enrolled.

SECT. 37. No ordinance, order or resolution imposing penalties, or authorizing the expenditure of money, shall have more than one reading on the same day.

SECT. 38. The seats of the members of the Council shall be numbered and determined by lot; and no member shall change his seat but by permission of the President.

SECT. 39. All Special Committees of this Council shall consist of three members, unless a different number be ordered. And no report shall be received from any Committee, unless agreed to in Committee actually assembled.

SECT. 40. The Clerk shall keep brief minutes of the votes and proceedings of the Council,—entering thereon all accepted Orders and Resolutions:—shall notice Reports, Memorials, and other papers submitted to the Council, only by their titles, or a brief description of their purport; but all accepted Reports shall be entered at length in a separate journal to be kept for that purpose, and provided with an index.

SECT. 41. All salary officers shall be voted for by written ballot.

SECT. 42. It shall be the duty of all Standing Committees of the Council to keep records of their doings, in books provided for that purpose by the Clerk; and it shall be the duty of the Clerk to attend the meetings of said Committees and of the Special

Committees, and make said records when required so to do.

SECT. 43. No meeting of any Committee shall be called upon less notice than twenty-four hours.

SECT. 44. In all elections by ballot, on the part of the Council, blank ballots and all ballots for persons not eligible, shall be reported to the Council, but shall not be counted in making up the returns, except in cases where this Council have only a negative upon nominations made by the Mayor and Aldermen.

SECT. 45. It shall be the duty of every Committee of the Council, to whom any subject may be specially referred, to report thereon within four weeks from the time said subject is referred to them, or ask for further time.
